- a. The game is played between two teams. They shall each have a maximum of ten players. Six are permitted on the pitch at any one time
- b. They are six outfield players – goalkeepers or kicking backs are not permitted
- c. The remaining four players are substitutes
- d. Teams can be a mixture of boys and girls – providing they are of similar age and ability. When playing in local festivals there may be special regulations relating to the composition of teams i.e. the split of boys and girls, so please refer to the entry regulations for clarification

RULE 2 - SUBSTITUTIONS

- a. Substitutions are made on the centre line, and are allowed at any time, except following the award of a penalty corner or penalty shot until its completion

RULE 3 - DURATION OF THE GAME

- b. Following half-time the two teams change ends

RULE 4 - CAPTAINS

- a. The Captains toss a coin for choice of ends or possession of the ball at the start of the game
- b. Each Captain is responsible for the conduct of all players in their team, including those on the bench - the substitutes

RULE 5 - THE PITCH

LENGTH	55 metres
WIDTH	43 metres

RULE 6 - THE GOAL

- a. Either a standard hockey goal (width 3.6m - the same size as those used in 11-a-side hockey) or an 6-8ft wide x 2ft high samba goal can be used
- b. The goal must be positioned against the outer edge of the back-line in line with the centre of the pitch

RULE 7 - THE BALL

- a. With beginners it is recommended to use a Quicksticks ball as it is larger and lighter than a standard ball, making it safer and easier for the players.
- b. With more advanced players, an In₂Hockey ball should be used. This ball is the same size, but lighter than a standard hockey ball. It weighs 100 grams (4ozs)
- c. Under no circumstances should a standard hockey ball be used when playing without goalkeepers

RULE 8 - THE STICK

- a. The stick shall be a standard regulation hockey stick. It shall have a flat face side and a rounded side
- b. The ball may be played with the flat face side of the stick or the edge of the rounded side, on condition that the flat side is visible (i.e. not flat to the turf/pitch)
- c. It should be noted that playing the ball with the edge of the rounded side is always subject to dangerous play (i.e. it will be penalised by the umpires if it is deemed to be dangerous or is leading to dangerous play)
- d. Coaches and teachers are asked to ensure that young players use a suitable length and weight of stick

RULE 9 - PLAYER EQUIPMENT & CLOTHING

- a. It is strongly recommended that shin-protectors and mouth-guards are worn by all outfield players at all times (inclusive of training sessions/games)
- b. No player shall wear any equipment that may be dangerous to themselves or other players. This includes raised jewellery, baseball caps with a stiffened peak and / or any sharp object
- c. The use of appropriate footwear for the playing surface (trainers or turf shoes) and suitable warm clothing (track-suit) is encouraged

RULE 10 - STARTING & RE-STARTING THE GAME

- a. The game is started with a hit, push or scoop taken from the centre of the centre line. It follows the umpire's whistle as play commences at the start of each half, and after a goal has been scored. The ball may be raised immediately using a push, flick or scoop but must not be raised intentionally using a hit
- b. Each team must be positioned in their own half of the pitch and the opposing players must be a minimum of 5 metres from the ball until the centre pass is played
- c. The ball can be played forwards, backwards or sideways
- d. The taker can use a self-pass (i.e. pass the ball to themselves)

RULE 11 - SCORING A GOAL

- a. A goal is scored when the ball has been struck by, or deflected off, an attacking player while it (the ball) is in the shooting circle (including the restricted zone). It must cross completely over the goal-line between the goal-posts and under the cross-bar
- b. Attacking players can score from within the restricted zone; however defending players are not permitted to enter the restricted zone at any time

RULE 12 - BALL OUTSIDE THE FIELD OF PLAY

Over the side-line:

- a. When the ball passes completely over the side-line it shall be put back into play in any direction by a hit, push, scoop or self-pass taken by an opponent of the player who last touched it. The ball may be raised immediately using a push, flick or scoop but must not be raised intentionally using a hit. This is called a side-line hit-in
- b. Until the hit-in is taken, no opposition player shall be within 5 metres of the ball

Over the back-line off an attacking player:

- c. When the ball passes over the back-line off one of the attacking players and no goal is scored, the game is re-started with a hit to the defence. This is called a hit-out. The ball can be hit, pushed, scooped or a self-pass can be played. The ball may be raised immediately using a push, flick or scoop but must not be raised intentionally using a hit. It is to be taken level with the top of the shooting circle and in line with the place where it crossed over the back-line

Over the back-line off a defending player:

- d. If the ball is accidentally played over the back-line by a defending player and no goal is scored, the game is started with a hit to the attacking team on the half-way (27.5m) line and in line with where it crossed the back line. This means the ball is in the attacking half of the pitch and therefore rule 14e applies
- e. The Rules relating to the taking of a free hit (14.a - 14.e) shall apply to all such restarts
- f. If the ball is deliberately played over the back-line by a defending player, the game is re-started with a penalty corner to the attacking team. The ball can be hit or pushed. A self pass is not permitted at a penalty corner
- g. The penalty corner is taken on the back-line, 10 metres from the goal-post
- h. No player, other than the taker, shall be within 5 metres of the ball until it is played

RULE 13 - FAIR PLAY

- a. Rough or dangerous play shall not be allowed, nor any behaviour which in the opinion of the umpire, amounts to misconduct
- b. Players must not intentionally use any part of their body to play the ball (except the hand to protect themselves in a dangerous situation)
- c. Players must not play at any high ball with the stick held at above shoulder height unless they are attempting to prevent a goal from being scored (i.e. to defend a shot on goal). The shot must be on target! If it is going wide of the post or over the cross bar the defending player is not permitted to try to play at it with the stick at above shoulder height
- d. Players must not use the rounded side of the stick when playing the ball and when striking the ball, the stick must in no way cause danger, nor lead to dangerous play, or be intimidating to any opponent
- e. Players must not play in any way that is dangerous
- f. Players must not kick the ball
- g. Players must not obstruct by running between an opponent and the ball, thereby unfairly preventing the opponent from playing the ball. Neither must they use any part of their body or stick to obstruct a player
- h. Players must not hold, charge, kick, shove, intentionally trip, or strike any player or umpire

RULE 14 - FREE HIT

- a. Free hits are to be taken close to where the offence occurred. The ball can be hit, pushed, scooped or a self-pass can be played. The ball may be raised immediately using a push, flick or scoop but must not be raised intentionally using a hit.
- b. The ball must be stationary at a free hit
- c. Until the free hit is taken, all opposition players must be a minimum of 5 metres from the ball

- d. Opponents who remain within 5 metres when the free hit is taken (this is very common when the self pass is used) must not interfere with the play until they have moved 5 metres away from where the free hit was taken, or the ball has moved 5 metres. Running alongside the taker (channelling) will be penalised as interference
- e. If the free hit is awarded in the half that the team is attacking, all players except the taker must be a minimum of 5 metres from the ball. The ball must move a minimum of 5 metres (in any direction), or be touched by another player of either team, before it can be played into the circle

RULE 15 - PENALTY CORNER (4V2 POWER PLAY)

- a. Penalty corners are taken on the back-line on a marker that is 10 metres from each goal-post
- b. The players may choose which side of the goal to take the penalty corner
- c. The ball can be hit or pushed however a self pass is not permitted
- d. The taker must have at least one foot off the pitch (behind the back-line)
- e. No more than three other attacking players must be outside the shooting circle, the two other members of the attacking team must be in the opposite circle (their defending circle) until the ball is played
- f. Two defending players should position themselves on the edge of the restricted zone, and they are not permitted to move until the ball has been played. The remaining four defending players must be in the other shooting circle - at the opposite end of the pitch
- g. If either of the defending players moves early they shall be verbally warned not to break again. If either player moves early for a second time, that player shall be sent to join their teammates in the circle at the other end of the pitch and only one player shall defend the penalty corner. If the remaining defender moves early again they will be given one final warning. If they move early for a fourth time then they too shall join their colleagues and the corner shall be taken with no defenders present
- h. Defending players are not permitted to enter the restricted zone
- i. Before any shot at the goal, the ball must first pass outside (beyond) the circle edge
- j. If the first shot at goal is a hit, it must not cross the goal-line at above 460mm, (the height of a standard hockey goal back-board) unless it takes a deflection off an attacking or a defending player on the way
- k. No shot will be allowed if it is judged as dangerous to other outfield players
- l. If the ball passes beyond 5 metres of the circle edge, the penalty corner restrictions (Rules) shall cease to apply.
- m. Any penalty corner awarded immediately before half or full time shall be completed
- n. If the penalty corner breaks down normal play should resume

A penalty corner shall be awarded for any one of the following reasons:

- o. A defending player accidentally committing an offence inside the circle
- p. A defending player deliberately committing an offence outside the shooting circle, but within their own half of the pitch
- q. A defending player deliberately playing the ball over their own back-line from anywhere on the pitch
- r. A defending player committing a deliberate offence in the shooting circle that does not prevent a probable or actual goal
- s. When the ball becomes lodged in a player's clothing or equipment while in the circle they are defending
- t. A defending player entering the restricted zone

RULE 16 - PENALTY 1V1 SHOT

- a. Penalty shots are 1v1's taken from the penalty shot spot which is 3 metres outside the top of the shooting circle
- b. Apart from one defending player and the penalty shot taker, all other players must be beyond the centre-line
- c. One defending player should be positioned anywhere along the edge of the restricted zone, and is not permitted to move until the ball has been played by the attacking player
- d. The attacking player is positioned on the penalty shot spot and has 8 seconds from when they first move the ball to beat the defending player and score a goal from within the shooting circle
- e. Defending players are not permitted to enter the restricted zone
- f. If the defending or attacking player fouls during the act of playing the penalty shot, the following should be awarded:
 - > Attacking player fouls: A hit out to the defence, taken from the top of the shooting circle
 - > Defending player fouls deliberately: Penalty goal (goal automatically awarded to attacking team)
 - > Defending player fouls accidentally: Re-take penalty shot

A penalty shot shall be awarded for any one of the following reasons:

- g. An offence by a defending player inside the circle that prevents the probable scoring of a goal
- h. An intentional offence in the circle by a defending player against an opponent who has possession of the ball or an opportunity to play the ball
- i. A defending player entering the restricted zone and deliberately interfering with play

Following a penalty shot, play is re-started with a centre pass (if a goal has been scored). If no goal is scored or the allocated time runs out, play is re-started with a hit out to the defence taken at the top of the shooting circle

- c. The second is a green card. Examples of why this may be given are: a stick tackle for the first time; or knocking the ball away for the first time
- d. The third penalty is a yellow card and this represents a suspension of a minimum of two minutes. Examples of why this may be given are: an intentional offence; a stick tackle for a second time; or knocking the ball away for a second time
